

## INVESTOR RELATIONS

We are committed to disseminating accurate and pertinent information to the market in a timely manner as part of good corporate governance. Our Investor Relations (IR) programme balances regular, effective and fair communications with Shareholders and the investment community with the need to safeguard commercial sensitivities. The IR team works closely with Senior Management to proactively carry out this engagement programme. Feedback and views gathered are regularly reported to Senior Management and the Board of Directors.

### PROACTIVE COMMUNICATIONS

During the year, the IR team met some 330 groups of investors, analysts and equity sales personnel over 170 meetings. The team also addressed queries from investors through emails, telephone calls and the online enquiry form.

Besides face-to-face office meetings and conference calls, we also participated in eight investor conferences and non-deal road-shows in Singapore, Kuala Lumpur, Hong Kong (HK), Tokyo and Taipei. These platforms provide direct access to a wide cross-section of existing and new institutional investors from around the world. To reach out to retail investors in Singapore, an investor presentation was held at the SGX auditorium.

We organised face-to-face briefings for the media and sell-side analysts for the full-year results and conducted dial-in conference calls with sell-side analysts for the other quarterly results. Three post-results luncheons were organised where we met fund managers based in Singapore after the full-year FY2017 results and the second and third quarter results for FY2018.

ComfortDelGro attracts active research coverage from sell-side analysts and the stock is now covered by 15 local and international research houses. Some 190 reports on the Company and the industry were published during the year. The IR team has regular interactions with the analysts to ensure a thorough understanding of our business models and strategies, operations and financial performance and growth opportunities.

Shareholders have the opportunity to interact with the Board and Senior Management at our Annual General Meeting. Voting is by way of electronic polling for greater transparency in the voting process and the detailed results are announced immediately at the Meeting and subsequently released to the Singapore Exchange.

All material announcements are posted in the IR section of the corporate website to ensure equal and timely access to information.

At the Singapore Corporate Awards 2018 held on 18 July 2018, ComfortDelGro won the Bronze Award for Best Investor Relations in the Big-Cap Category.

At the 19th Securities Investors Association Singapore (SIAS) Investors' Choice Awards 2018 held on 25 September 2018, VICOM was the winner of the Singapore Corporate Governance Award for the Mid-Cap Category and Runner-Up for the Most Transparent Company Award in the services category.
