

Investor Relations

At ComfortDelGro, we believe in maintaining a constructive relationship with our stakeholders. To this end, we are committed to disseminating accurate and pertinent information in a timely manner to help investors make informed decisions. Our investor relations programme balances regular, effective and fair communications with Shareholders and the investment community with commercial sensitivities. The Investor Relations (IR) team works with Senior Management to proactively carry out this engagement programme.

Proactive Communications

During the year, the IR team met nearly 300 groups of investors, analysts and equity sales personnel over 160 meetings. These included face-to-face office meetings and conference calls.

We participated in seven investor conferences and non-deal roadshows in Singapore, Kuala Lumpur, Hong Kong and Tokyo. These provided access to a wide cross-section of investors from around the world.

We organised briefings for the media and sell-side analysts for the full-year results and conducted dial-in conference calls with sell-side analysts for other quarterly results. Two post-results luncheons were organised where we met fund managers based in Singapore.

ComfortDelGro attracts active research coverage from sell-side analysts and the stock is now covered by 12 local and international research houses. Close to 100 reports on the Company and the industry were published during the year. The IR team has regular interactions with the analysts to ensure a thorough understanding of our business models and strategies, operations and financial performance.

Shareholders have the opportunity to interact with the Board and Senior Management at our Annual General Meeting held in our headquarters. Voting is by way of electronic poll for greater transparency in the voting process and the detailed results are announced immediately at the Meeting and subsequently released to the Singapore Exchange.

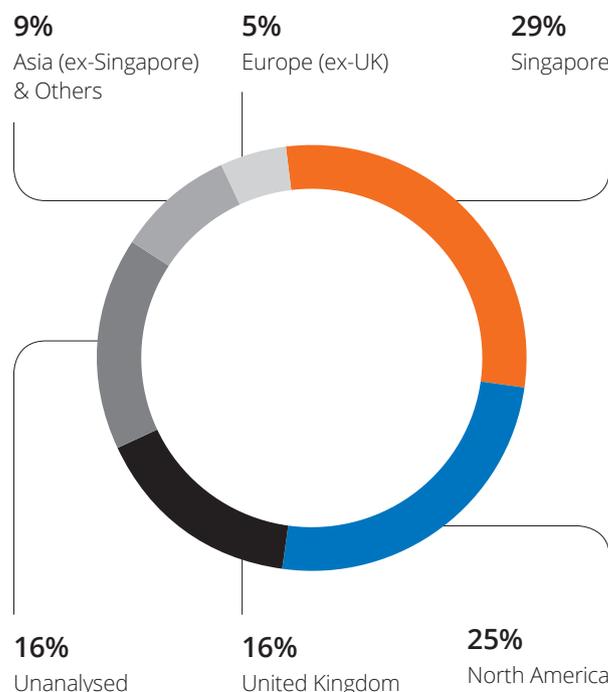

All material announcements are posted in the IR section of the corporate website to ensure equal and timely access to information.

At the Securities Investors Association Singapore (SIAS) Investors' Choice Award 2014 held in October 2014, ComfortDelGro was the runner-up for the "Most Transparent Company Award" in the Travel, Leisure and Automobiles & Parts category. The subsidiary SBS Transit was the runner-up for the "Singapore Corporate Governance Award" in the Mid-cap category.
