

INVESTOR RELATIONS

We are committed to disseminating accurate and pertinent information to the marketplace in a timely manner as part of good corporate governance. Our Investor Relations (IR) programme balances regular, effective and fair communications with Shareholders and the investment community with commercial sensitivities. The IR team works closely with Senior Management to proactively carry out this engagement programme.

Proactive Communications

During the year, the IR team met more than 330 groups of investors, analysts and equity sales personnel over nearly 200 meetings.

Besides face-to-face office meetings and conference calls, we also participated in 10 investor conferences and non-deal road shows in Singapore, Kuala Lumpur, Hong Kong and Tokyo. These provided access to a wide cross-section of investors from around the world. To broaden our outreach we participated in the Singapore Exchange (SGX) Corporate Connect Seminar where we presented to over 200 retail investors.

We organised briefings for the media and sell-side analysts for the full-year results and conducted dial-in conference calls with sell-side analysts for other quarterly results. Three post-results luncheons were organised where we met fund managers based in Singapore.

ComfortDelGro attracts active research coverage from sell-side analysts and the stock is now covered by 13 local and international research houses. Some 140 reports on the Company and the industry were published during the year. The IR team has regular interactions with the analysts to ensure a thorough understanding of our business models and strategies, operations and financial performance.

Shareholders have the opportunity to interact with the Board and Senior Management at our Annual General Meeting held in our headquarters. Voting is by way of electronic poll for greater transparency in the voting process and the detailed results are announced immediately at the Meeting and subsequently released to the SGX.

All material announcements are posted in the IR section of the corporate website to ensure equal and timely access to information.

At the Singapore Corporate Awards 2015 held in July 2015, the subsidiary VICOM Ltd won the Best Investor Relations Award (Bronze) for companies with S\$300 million to S\$1 billion in market capitalisation.
